

PANEL GLIDE

Panel glides are the seamless solution for wide windows and sliding doors. They offer the perfect connection between roller blinds and other soft furnishings, all while remaining child safe with no chain or cords.

Track Variations

3 | 4 | 5 slide track. Have up to 8 panels on a 5 slide centre open.

Your Choice of Colour

White | clear anodise | black | white birch. Colour match to base rail colour range.

Large Widths

Span up to 5.5 metres.

Stacking Styles

Centre open or one way draw.

Fabric Compatibility

Compatible with any roller blind fabric.

Made to Measure

Just prepare your fabric and order a ready made track online.
